

LaSALLE ACADEMY

LaSalle Academy is an *interactive career search training program* provided by Chicago's leading staffing and recruiting firm, LaSalle Network. Through our experience providing staffing solutions to over 2,000 businesses in Chicagoland, LaSalle Network knows what employers are looking for in their next hire.

Utilizing this knowledge and expertise, the mission of LaSalle Academy is to **provide experienced professionals with the tools to achieve career advancement**. Through targeted workshops, exploring different aspects of the career search, candidates will learn the skills necessary to stand out from the competition in today's flooded marketplace.

How is LaSalle Academy different?

LaSalle Academy's advice is based on over 11 years of experience on the front-lines of today's marketplace. The program is practical and realistic, and job seekers will leave with tangible advice they can implement immediately into their career search.

Workshops and Services

Formatting Your Resume to Land the Interview

Explores questions like: What should I include on my resume? Should I use a resume template? What format is best? What do employers look for when reading a resume?

Interview Preparation and Execution

Explores questions like how do I best prepare for an interview? How do I stand out from my competition during the interview? What questions should I ask? What questions will they ask me?

One-on-One Resume Consultation

Receive a personal consultation with a job search expert regarding ways to improve your resume and help you land the interview.

Mock Interview

Practice makes perfect! Engage in a mock interview to practice your presentation skills and build your confidence for your next real interview.
