

100% Fill Rate for Tax Preparers during Tax Season

- Premium Tax Company
- Temporary Placements
- Tax Preparers

A software company that offers a variety of premium tax services including software, filing, and consulting. They focus on experience in the industry and commitment to customer service

CHALLENGES

The client faced a recurring challenge of securing qualified temporary tax preparers during their busy tax season

Previous staffing firms provided unreliable candidates and lacked clear communication, leading to frustrations for the organization

SOLUTIONS

- LaSalle Network ensured a 100% fill rate, providing all 11 required temporary tax preparers
- We implemented "interview blitzes", a new and efficient process for the client, allowing for quick candidate selection
- LaSalle prioritized clear and consistent communication throughout the recruitment process, addressing the organization's previous concerns

By addressing the client's staffing challenges, LaSalle Network provided a reliable pool of qualified temporary tax preparers and fostered a strong client relationship through improved communication and innovative solutions.
