CHALLENGES

Experiencing rapid growth and in need of expanding their product and engineering team

Attracting the right talent who demonstrate the requisite job skills and also aligning with the company culture

GOAL

Expand the product and engineering team within a diverse array of roles

LaSalle Network successfully supported the expansion of their product and engineering team by placing 24 technology professionals. These positions included Software Engineers, Business Analysts, Product Managers, Automation Test Engineers, Salesforce Application Support Engineers, Data Specialists, Help Desk Analysts, Senior Infrastructure Managers, and Technical Support Specialists.
